

Martha Canfield Library Children's Programs Summer 2008

The Martha Canfield Library will be hosting a series of programs this summer for children of all ages. All programs are free and open to the public. We hope that you will sign up for the Summer Reading Club and join us for any or all of the other programs available throughout the summer. For more information about any program, please call (802) 375-6153.

Catch the Reading Bug

Join us at the Martha Canfield Library this summer to learn about bugs of all kinds, starting June 20.

Join the Reading Bug Reading Club by signing up at the library. You will receive a booklet to keep track of the books you have read. Preschoolers can count books that are read to them. Our goal is to read 1000 books this summer and we need your help to do it. For every book you read, come in the library and put a bug in our field. At the end of the summer try to guess how many bugs have visited.

Weekly puzzles and games.

Insect Investigations

With the Grafton Nature Museum

Wed. July 9: 10:30-11:30 - ages 5-10, in the library
sponsored by VT Dept. of Libraries

Catch the Reading Bug

Programs for children ages 5-9

From 1:00 to 2:30 on the following Wednesdays

June 25: Butterfly Gardens - make a mini butterfly garden and a feeder.

July 2: Bug Hunting - Make a bug collecting box and go on a bug scavenger hunt.

July 9: Insect Camo - Learn about insect camouflage and make a "walking stick".

July 16: Honeybees - Learn about honeybees

Preschool Storytime

Wednesday mornings @ 10:30

Ages 3-5
